	Games	Netball	Football	Handball	Rugby	Cricket & Swimming	Rounders
Humanities	Geography		Settlements		Why are some countries frozen?	Map Reading	
	History	Ancient Rome		Anglo Saxons			Vikings

Classroom routines and expectations

Reading books and reading diaries are in every day.

Reading should be recorded in diaries daily by an adult. This should be children reading to the adult and not the adult reading to the child.

Water bottles should be filled at home and brought into school every day.

Children should be dressed appropriately for the weather – e.g. coats, hats, scarves etc. **These must also be labelled!!!**

Wellies and appropriate clothing for our outdoor learning sessions to be brought in.

Times Tables Rock Stars should be completed a minimum of once a week – We have the MTC in summer. The more practise the children have the better!

A list of topic homework activities will be sent every half term. Children are free to complete any that interests them.

Mathletics will also be set every week.

Spellings will also be sent out weekly, please practise these at home.

Key Stage 2

Timestables Rockstars	Years 3 & 4 (Compulsory)	Weekly challenges of tables will be assigned to all children in Year 3 and 4 in order to build confidence and fluency in their tables knowledge.
	Year 5 & 6 (Encouraged)	This is a compulsory part of homework for Year 3 and 4, but all children in Year 5 and 6 are welcome to continue to complete tables challenges.
Mathletics	Years 3, 4, 5, 6	Activities on Mathletics will be set for pupils that are related to their learning in lessons from the previous week. They will have until the following Friday morning to complete them.
Spellings	Years 3, 4, 5, 6	Word lists are sent home with instructions on a Friday. These spellings are linked to the spelling patterns being taught the following week. SpellingShed activities are set for children to use to practise their words ready for their spelling test on the following Friday in school.
Reading	Years 3, 4, 5, 6	Reading is an important skill for children to continue to develop throughout their time at school. Fluency and comprehension skills continue to develop at all ages and therefore we ask that children continue to read a minimum of <u>5 times a week</u> , with adult support as often as possible. All reading should be recorded in the reading records.
Topic	Years 4, 5, 6 (Encouraged, not compulsory)	A selection of topic homework tasks will be sent home half termly. Children are encouraged to complete tasks across the half term, but these are not compulsory. Completed tasks can be brought into school and shared with the class.

Timetables

Tuesday – Library book change day
